Only one for the sprinters this week, but with relatively fresh legs. Make it count!

Other than that this one is for the gravity-defiant types.

Two different segments to set the fastest times on, followed by a brutal finish for the FIRST 15 in each group, scoring double on both Red and Yellow points.

That's the one to pay attention to!

REMEMBER to be registered on Zwiftpower to be guaranteed your hard earned points.

As I'm not there that day, you will be in the capable hands of Danny.

Pay attention to Richard and his instructions and you can't go wrong... except for regretting what situation you've found yourself in 😏👹

Can't wait to see the scores and report back.

Best of luck!
